

# WINTER BEACH NEIGHBORS ASSOCIATION

December 28<sup>th</sup>, 2009

Hello Winter Beach Neighbors Association Members:

I just wanted to take this opportunity to mention a few items of interest.

First off, I learned recently through conversation with Bernie Higgins of the IRC Solid Waste Disposal District that there are no current plans to shut down the trash & recycling Convenience Center located on 65th Street. According to Mr. Higgins, at one time consideration was being given by the County Commission to closing the 65th Street location due to budgetary concerns as well as its close proximity to the Gifford location as an alternative for local residents. Apparently, funding was found to continue its current operation. In addition, Mr. Higgins reported that the millings stockpiled there will be used after the holidays to improve the interior roadway conditions. Of course, he could not fully predict the 65th Street locations' future but, for the foreseeable future he assured me that the 65th Street Convenience Center will remain in operation.

Secondly, for those of you who are already members of the WBNA, it is that time of year to renew your membership and mail us your annual dues of \$10. Please mail your check to WBNA, P.O. Box 12, Winter Beach, FL 32971 and on your check OR on a separate piece of paper update us with your email address (or phone number if you do not have email).

(Current email addresses are critical to both our communications and to minimizing our association expenses.)

And to anyone who has not previously joined our association, you are invited to become a part of the WBNA, the not-for-profit organization that has been and will continue to keep watch over our area and stand as an advocate protecting our Winter Beach neighborhoods and surrounding area. Just send us a check for \$10. and include your name, street address, and email. REMEMBER, there is strength in numbers.

Lastly, to ALL of YOU and YOUR LOVED ONES, may 2010 bring a more PROSPEROUS YEAR than you have ever known before!

Sincerely,  
Scott Taylor
