

Are you vulnerable to crime?

You don't have to be!

“NEIGHBORHOOD WATCH” for the Winter Beach area!

THE GOAL:

*To make each home and each street area more crime resistant
by reducing the opportunity for crime to occur.*

*This is not a vigilante force to “take down criminals”.
This is not about losing privacy—it’s about neighbors watching out for each other.*

Neighborhood Watch is a crime prevention program that:

- Teaches us techniques to reduce the risk of being victimized at home and in public
- Trains us on the importance of recognizing suspicious activities and how to report them
- Teaches us how to make our homes more secure and properly identify our property
- Allows neighbors to get to know each other and our routines so that any out of place activity can be reported and investigated by law enforcement
